

This year, I have made an important decision to participate in a great new event, [24h Blue Mountain](#). This event was created to support two Ontario charities: Special Olympics Ontario and the Collingwood General and Marine Hospital. To show my support, my teammates and I will ski in a non-stop relay for 24 hours to raise funds for these amazing charities:

- [Special Olympics Ontario](#) – provides year round sports competition and health training for individuals with an intellectual disability
- [Collingwood General and Marine Hospital](#) – provides exceptional medical and emergency care to the Georgian Triangle area

Please join me in supporting these two worthy causes. I would ask that you consider making a donation towards our fundraising efforts. Both these organizations are vitally important to the community at large.

I would also like to invite you to join us live for the race at Blue Mountain Resort - cheer on our team as we roll through the transition zone at the base of the mountain, or just come for the picturesque scenery and the enjoyment of the many activities in the resort village!

Please visit my personal fundraising page today to make a donation: [\[insert your page link\]](#)

Thank you in advance for your generosity,
