Sir/Madam,

I am excited to inform you that my teammates and I are participating in an amazing new event in support of two very important causes. 24h Blue Mountain is a non-stop ski relay over a period of 24 hours to raise much needed funds that will impact many people's lives.

The funds raised during the 24h Blue Mountain event will be donated to:

- **Special Olympics Ontario**, who provides year round sports competition and health training for individuals with an intellectual disability
- **Collingwood General and Marine Hospital**, which provides exceptional medical and emergency care to the Georgian Triangle area

On behalf of these two organizations, I ask that you encourage and support my team by making a donation and contributing towards our fundraising efforts. We are proud to support both these worthy organizations. It is important for individuals and businesses to give back to their community. Every donation counts and you can help us to reach our goal. Read more about the event at [www.24hbluemtn.ca](http://www.24hbluemtn.ca)

From February 24-25, 2018, you can make a lasting difference in the lives of many. I also invite you to join us live for the race at Blue Mountain Resort - come cheer on our team as we roll through the transition zone at the base of the mountain, or just come for the picturesque scenery and the enjoyment of the many activities in the resort village!

Thank you in advance for your generosity,
